DOB: 05/02/1987

Experience

Ecrome Group AG (Jan 2015- current)

Full Stack Web Developer

- As a full stack web developer, my job currently consists in developing and maintaining the front and back end functionality of websites, as well as the API that serves the mobile apps.

WhiteBox Office (Oct 2012- Dec 2014)

Web Developer and Sub-project manager

- I was in charge of the development and the implementation of Web applications as well as the expansion of existing applications. I also assisted with the analysis of the requirements to prepare and start the implementation of systems. During my time at WBO I was mainly working on the new website launch of "La Liga de Futbol Profesional LFP" (Spanish Football League), which won the Best Sport Website Award given away by the Spanish Ministry of Industry.
